

Consumer Limited Warranty

Power Wheelchairs - Effective June 1, 2008

Solar Mobility

The following warranty is granted only to the INITIAL Consumer who has purchased our product and commences on the Date of Purchase by the Consumer from an Authorized Solar Mobility LLC' Provider. The Consumer must have a warranty registration card filed with Solar Mobility LLC to receive service. This warranty supersedes all previous warranties for all power chair models effective June 1, 2008.

The warranty covers the following power wheelchair models unless otherwise noted:

- Liberator SM8500L

Limited Lifetime Warranty:

In the event of defective materials or workmanship, Solar Mobility LLC will repair or replace at our option any of the following structural frame components found to be defective by an authorized Solar Mobility LLC representative:

- Steel Frame
- Frame Welds
- Seat Post

The chair side frames for the Liberator SM8500L power wheelchair are guaranteed for a period of FIVE YEARS from the date of purchase.

One-Year Limited Warranty:

For the period of one year from the date of purchase, in the event of defective materials or workmanship, Solar Mobility LLC will repair or replace at our option any of the following structural frame components found to be defective by an authorized Solar Mobility LLC representative:

- Caster Beam
- Anti-Tip Forks
- Armrests
- Footrest
- Cross Braces
- Swing-away footrests
- Caster Forks
- Back Rest Canes

For the period of one year from the date of purchase, in the event of defective materials or workmanship, Solar Mobility LLC will repair or replace at our option any of the following drive train components found to be defective by an authorized Solar Mobility LLC representative:

- Motor/Gearbox Assembly
- Brake Assembly (electrical function only)

Note: An increase in operating noise of the motor/gearbox DOES NOT constitute a defect. With normal wear and tear, operating noise is expected to increase.

For the period of one year from the date of purchase, in the event of defective materials or workmanship, Solar Mobility LLC will repair or replace at our option any of the following electronic assemblies found to be defective by an authorized Solar Mobility LLC representative:

- Electronic Controller
- Battery Charger
- Wire Harness(es)
(Excludes boot covers)

Note: While charging batteries, it is normal for the battery charger to heat up. Heat coming from the battery charger DOES NOT constitute a defect.
